(Form 1)

Research supervisor (see 【Research supervisor】of Application guidelines)

Opinions of RIKEN research supervisor[1]	Candidate Name _____ Mentor (PI other than the PI of the host laboratory) [*2] Laboratory: Position: Name: The order of priority[3]: ____ out of ____

1. Comment on candidate's research capabilities and if his/her research plan is feasible.
2. Please get the Mentor's consent before you fill the form.
   To allow students to obtain advice from a variety of perspectives, ask PI other than the PI of the host laboratory to be the Mentor. In case of using other mentoring programs in the candidate's university or other institution, please state so.

3. When two or more candidates are in the same lab, please write the order of priority for the candidate.

4. If it is known that the laboratory will be closed during the period of the JRA candidate's employment with RIKEN (3 years; 4 years if the standard term of study is 4 years), provide the date and the location to which the JRA candidate will be transferred.
