

(Form 2)

**Special Postdoctoral Researcher
Research Proposal**

Applicant Name

Proposed research topic	
Objective (include background information & information on related research in Japan and overseas)	

Research
contents

<p>Characteristics of this research & unique features</p>	
<p>Required facilities & equipment</p>	
<p>Budget estimate</p>	
<p>Additional information</p>	

1. Your research proposal must be written on this form.
2. The budget estimate must be an itemized budget for each of the three years (in 1,000 yen units). If the amount is roughly the same for each year, indicate the average amount per year. Please confine your entries to this form.
