Received March 7, 2011; accepted March 8, 2011; published online March 25, 2011

We have incorrectly stated on p. 2 of Appl. Phys. Express 3 (2010) 063002, column 2, lines 2–4 that the unit of resistivity is Ω cm, whereas it is Ω m. This change does not affect the whole discussion of this paper.
