RIKEN Cluster for Science, Technology and Innovation Hub

RIKEN Cluster for Science, Technology and Innovation

─ Office of the Cluster Director
─ RIKEN Program for Drug Discovery and Medical Technology Platforms
─ Business Development Office
─ Translational Research Office
─ RIKEN Baton Zone Program
─ Cell and Gene Therapy in Ophthalmology Laboratory
─ Virus Inactivation LED Laboratory
─ Bio-chemical Production Laboratory
─ Microalgae Resource Upcycling Research Laboratory
─ Emerging Infectious Disease Vaccine Technology Laboratory
─ Correlated-materials-based Ecological-device Laboratory
─ RIKEN Industrial Co-creation Program
─ RIKEN-DAIKIN Collaboration Project
─ RIKEN-JEOL Collaboration Project
