Soliciting of donations for research on visual function regeneration
(Research specific donation)

1. Donation name
Donations for research on visual function regeneration

2. Amount
140 million yen to end of fiscal year 2025 (20 million yen per year)

3. Donation period
April 1, 2018 through March 31, 2025

4. To make a donation
Donations may be made by credit card payment, online application, or post mail.
(1) Making a donation with a credit card
Go to the credit card payment page on the RIKEN Donations website. Enter the required information and click the Send button.
(2) Using the online application form
Enter the required information on the application form on the RIKEN Donations website and click the Send button.
(3) Post mail application form
Fill out the separately provided application form and send to the address given

5. To make your payment
- For remittance through a bank, a request for payment will be sent to you after you submit the donation application form. We ask that you pay the bank transfer fees when you remit funds through a bank.
- When using the online application method, please include a note indicating that you would like RIKEN to issue a request for payment (invoice) in the online application, if you need it.

6. Receipts
We will send you a receipt after we receive your remittance. Donations made to RIKEN are tax-deductible within Japan.
