

The 2<sup>nd</sup> NCAC Meeting: May 26-28, 2011

Sydney Gales	Director, Grand Accélérateur National d'Ions Lourds (GANIL) Chair, NCAC
Shoji Nagamiya	Director, J-PARC Center, Japan Atomic Energy Agency(JAEA) Chair, Scientific Policy Committee of the Nishina Center
Robert Tribble	Director, Cyclotron Institute/Physics Department, Texas A & M University, Chair, Program Advisory Committee (Nuclear Physics) of RIBF
Jean-Michel Poutissou	Associate Director emeritus, TRIUMF Chair, Program Advisory Committee (Materials and Life Science) of RIBF
Wit Busza (absent)	Francis L. Friedman Professor of Physics, Department of Physics, MIT, Chair, RIKEN BNL Research Center – Scientific Review Committee
Andrew Taylor	Director, ISIS Pulsed Neutron & Muon Source, Rutherford Appleton Laboratory, Chair, RIKEN Facility Office at RAL – International Advisory Committee
Angela Bracco	Professor, Dipartimento di Fisica, Fisica del Nucleo, University of Milan
Makoto Inoue	Professor Emeritus, Kyoto University Research Reactor Institute,
Karlheinz Langanke	Director of Research, Gesellschaft für Schwerionenforschung mbH (GSI), Darmstadt in der Helmholtz-Gemeinschaft
Richard Milner	Director, Laboratory for Nuclear Science, Department of Physics, MIT
WenQing Shen	Vice President (NSFC), Shanghai Institute of Applied Physics (SINAP), Chinese Academy of Science
Bradley Sherrill	University Distinguished Professor of Physics, National Superconducting Cyclotron Laboratory, Michigan State University
Alexey Korshennikov	Deputy Director, Russian Research Centre Kurchatov Institute
Tadashi Shimoda	Professor, Graduate School of Science, Osaka University
Hiroshi Toki	Professor Emeritus, Research Center for Nuclear Physics (RCNP), Osaka University
