

Agenda
International Advisory Committee (IAC) Meeting
for Accelerator Research Program
February 23-25, 2006 at RIKEN

Feb23th(Thurs.):(at conference room, 2F RIBF Bld)

16:00-17:00 Preliminary Meeting chaired by Y.Yano
• Introduction of IAC Members and RIKEN staff
• Distribution of Meeting Agenda
• Welcome Address and Introduction to the RIBF¹⁾ Project and RNC²⁾
Director of Discovery Research Institute: K. Kaya

- 1) RI Beam Factory
- 2) RIKEN Nishina Center for Accelerator Science

IAC closed session: brief meeting (17:00-17:30)

17:30-19:30 *Banquet at Hirosawa Club, 2F*
Welcome: Director of Frontier Research System: K. Tamao

Feb 24th(Fri.): (at conference room, 2F RIBF Bld)

8:30 IAC leave the Hotel for RIKEN

Morning session (9:00-12:30) chair: T. Motobayashi

9:00 Welcome Address by the president of RIKEN (10min.) R. Noyori
9:10 Organization of RNI Y. Yano
Overview of the RIBF project and Progress of construction
(70min. for presentation & 20min. for discussion)
10:40 *Coffee Break (20min.)*
11:00 Technical Tour (60min.)

12:00-14:00 *Lunch with discussion at Hirosawa Club (120min.)*

Afternoon session : (14:00-16:00) chair: K. Asahi

14:00 GARIS and super heavy element search K. Morita
(15min. for presentation & 5min. for discussion)
14:20 Big RIPS and zero-degree forward spectrometer T. Kubo
(20min. for presentation & 10min. for discussion)

- 14:50 Experimental program in phase 1 and phase 2 H. Sakurai
(40min. for presentation & 20min. for discussion)
15:50 *Coffee Break (20min.)*

IAC closed session : brief meeting (16:10-18:00)

19:00-20:30 *Dinner with discussion*

Feb 25th(Sat.) : (at conference room, 2F RIBF Bld)

8:30 IAC leave the Hotel for RIKEN

Morning session : (9:00-12:20) chair: Y. Yano

- 9:00 Operation of accelerator-based research T. Motobayashi
(40min. for presentation & 20min. for discussion)
10:00 Overview of RIKEN BNL Research Center H. Enyo
(15min. for presentation & 10min. for discussion)
10:25 Overview of RIKEN Facility Office at RAL M. Iwasaki
(15min. for presentation & 10min. for discussion)
10:50 *Coffee Break (20min.)*
11:10 Application research / Multitracer Technology S. Enomoto
(15min. for presentation & 10min. for discussion)
11:35 Application research / Ion-beam breeding T. Abe
(15min. for presentation & 10min. for discussion)
12:00-13:30 *Lunch with discussion (90min.)*

IAC closed session and concluding discussion (13:30-17:00)

17:00 Presentation of the Executive summary and End of IAC meeting
