

# RIKEN Wako campus parking map

## ■ Parking for RIKEN employees

Parking spaces for employees whose section/laboratories are located nearby. In principle, visitors may not use these parking spaces except for delivery vehicles that will be stopped for less than 30 minutes.

Note: There is a parking areas for visitors who participate in experiments at the Laboratory for Language Development at the south side of the Information Science Building.

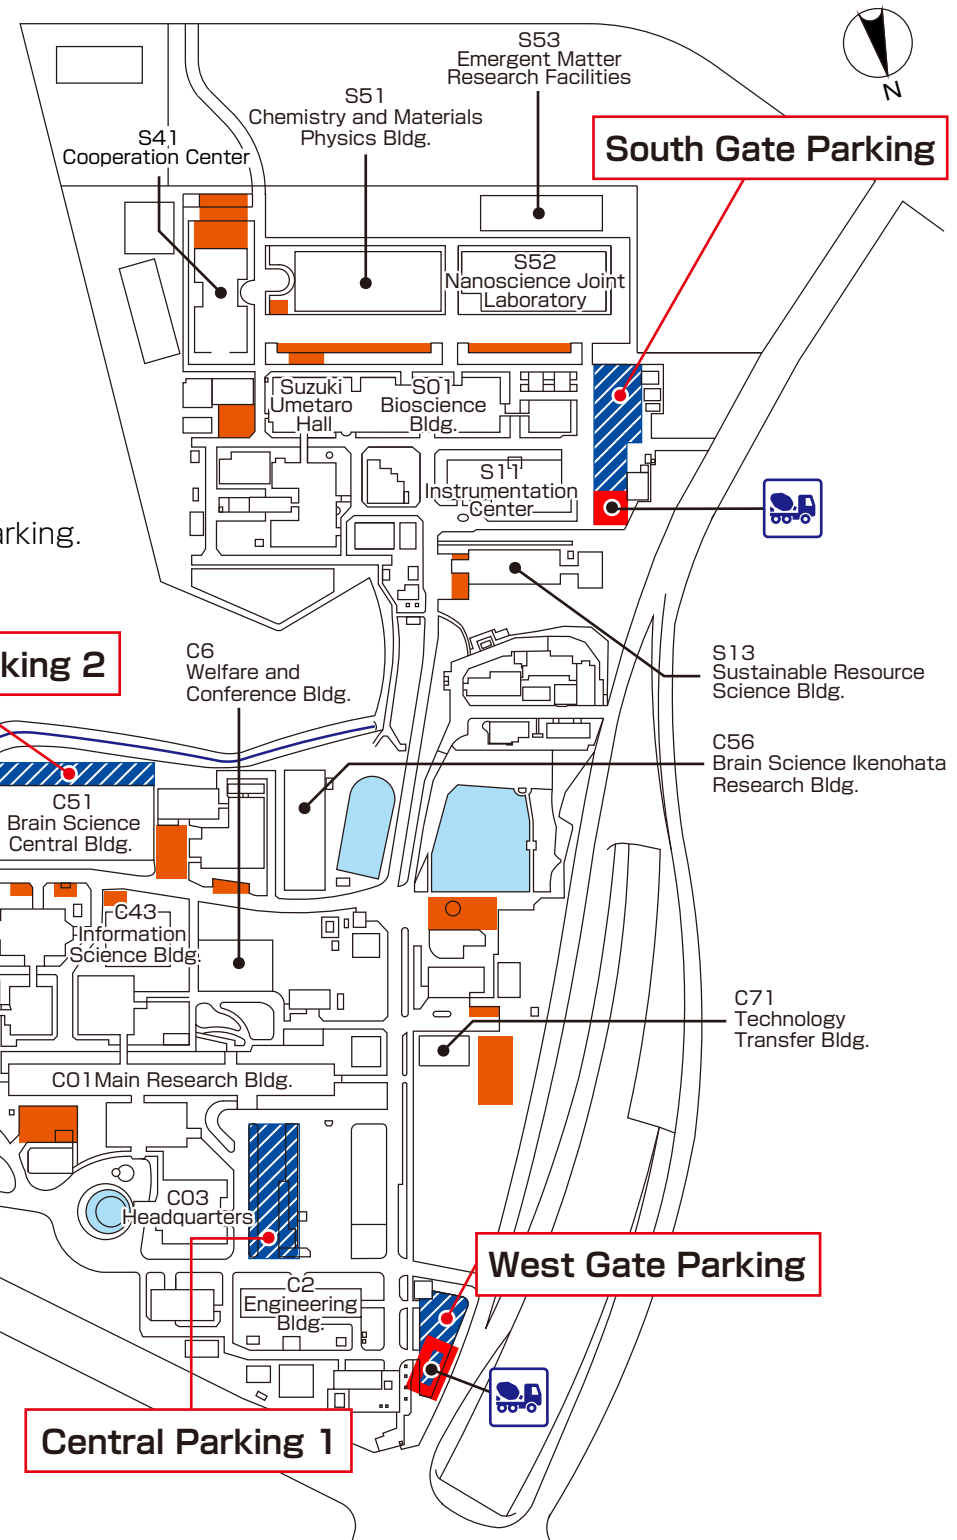

## ▨ Parking for visitors and RIKEN employees

Parking spaces for visitors. The parking spaces can be used for long-term parking.

Note: These parking spaces can also be used by RIKEN employees.

## 🚚 Parking for construction related vehicles

Vehicles that are not directly related to on-going construction, such as trucks which have delivered materials for construction projects, must park in the parking areas for visitors.
