

Research Achievements

Name: _____

(The purpose of this document is to provide the search committee with information on your most important research achievements to date, including research achievements during your PhD course. Please clarify your contribution if you have any joint publications and keep your description succinctly to fit in one page. If you have many major research achievements and numerous related papers, number the list of research achievements and use the same numbers when referring to those achievements in your outline (Diagrams and tables may be included). **Please delete this explanation as you complete the form.**)
