

# EMBO | Japan Virtual Lectures

---

## New paradigms of intracellular compartmentalization and trafficking

August 31, 2021 | 16:00 – 17:30 JST

---

### 16:00–16:10: Welcome

Dr. Shigeo Koyasu, Executive Director, RIKEN, Japan  
Dr. Gerlind Wallon, Programme Head, EMBO, Germany

### 16:10–16:40: Principles of cellular compartmentalization

Prof. Anne Spang, Professor of Biochemistry, Biozentrum,  
University of Basel, Switzerland

### 16:40–16:50: Q&A session

Moderated by Prof. Blanche Schwappach, Professor and  
Director of Biochemistry, University Medical Center Göttingen,  
Germany

### 16:50–17:20: Golgi apparatus and its next-door neighbors

Dr. Akihiko Nakano, Deputy Director, RIKEN Center for Advanced  
Photonics, Wako, Japan

### 17:20–17:30: Q&A session

Moderated by Prof. Blanche Schwappach
